Mission

The Brittonkill Educational Foundation is a non-profit organization which exists for the sole benefit of the students of Brunswick Central School District. This enterprise, one of the first of its kind in upstate New York, was established in 1995. It is governed by a Board of Trustees and operates independently from the school's Board of Education. The organization provides funding for innovative and creative programs which go above and beyond the basic educational requirements for public education.

The Brittonkill Educational Foundation's mission is to enhance the quality of education and educational opportunities by generating and distributing financial and other resources for programs and projects in the Brunswick Central School District.

The Foundation carries out its mission by supporting:

Student Development

- Funding learning activities that supplement the basic educational program.
- Providing equipment and other resources not funded through other means.

Creative Teaching

- Supporting professional development initiatives.
- Providing capital for creative ideas and programs.

Community/School Partnerships

- Providing a vehicle for individuals, businesses and organizations to share resources and gifts with the Brunswick Central School District.
- Promoting community awareness of educational challenges and solutions.
- Fostering the development of alumni relations.

The foundation operates independently from the School District for the sole benefit of students. It encourages excellence through creative teaching and learning, facilitating student development and community/school partnerships. Trustees are corporate and community leaders, most of whom are not affiliated with the School District.

Dear Friends,
Thank you for the Magic Tree House. Our class really likes it and so do I. I think it is a good spot to read a book. We get to read in the Magic Tree House but we have to earn a ticket to read in the Magic Tree

Funds

WHAT THE BRITTONKILL EDUCATIONAL FOUNDATION FUNDS.

Technology and Learning

Projects and programs designed to promote use of the most recent technologies in teaching and learning in order to provide experiences for students that will prepare them for the workplace of the twenty-first century.

Scholastic Enhancement Fund

Learning opportunities beyond the core curriculum to fulfill a variety of needs for students and teachers.

Arts in Education

Experiences and programs in the fine and performing arts that will promote lifelong enrichment for students and the community at large.

Professional Development

Professional growth for staff that would not otherwise be available through traditional resources.

Cultural Enrichment

Programs enhancing students cross-cultural experiences to help prepare them for an increasing global economy.

Brittonkill Television Studio

The Foundation pledges to maintain and improve educational excellence in the Brittonkill School District. Your support provides our children with the necessary tools and encouragement to enrich their lives through a quality education.

Contribute

HOW CAN I CONTRIBUTE

*Donations to the
Brittonkill Educational
Foundation are
tax deductible.*

Teacher Tribute Program

This program is a wonderful way to show appreciation of the hard work and dedication of teachers and staff while also supporting the educational opportunities not otherwise available to our children through the school's budget. Donations to this program are recognized in the district's newsletter.

Foundation Memorial & Tribute Fund

The Brittonkill community has embraced the Memorial & Tribute

Fund as a means of honoring the memory of a special individual, or acknowledging a special occasion such as an anniversary, birthday or graduation. Donations to this program are recognized in the district's newsletter.

Annual Appeal

The Foundation seeks funding for major project awards on an annual basis. A gift of original artwork created by a Brittonkill student is offered as a gift to these generous donors. The names of donors appear

on a plaque displayed at the entrance to the school district's auditorium.

Leaves for Learning

The foundation has established a “Leaves for Learning” recognition tree which has been installed in the district auditorium lobby. A leaf or stone may be purchased to commemorate: Graduations, Academic Achievements, Athletic Achievements, Tributes, Retirements, Memorials, Anniversaries, Milestones, or any special event or message.

Planned Giving

While gifts of cash are the most common type of charitable gifts, gifts or property and other planned gifts

are greatly appreciated by the Foundation. With proper planning, gifts of property can maximize tax benefits to the donor while providing a financial benefit to the Foundation.

Matching Gifts

If you or your spouse are associated with a company that has a matching gift program, your gift could be doubled or tripled. Please check with your employer or visit our website at www.brittonkill.k12.ny.us/bef, or write at: P.O. Box 57, Cropseyville, NY 12052-0057.

The Foundation pledges to maintain and improve the educational excellence in the Brittonkill School District. Your support provides our children with the necessary tools and encouragement to enrich their lives through a quality education.

Gift-in-Kind

The Foundation welcomes your gift-in-kind donation of products, services or personal property. All contributions support the Foundation's programs. To find out more about making a donation to the Brittonkill Educational Foundation, please visit our website at www.brittonkill.k12.ny.us/bef.
